

1 Volta a Ràmio des de la font de la Closa

TOUR TO RÀMIO FROM LA FONT DE LA CLOSA (CIRCULAR)

Starting point: Font de la Closa

Difficulty: Low

Distance: 8.84 kilometers

Drop: 358 meters

Maximum altitude: 1.860 meters

Minimum altitude: 1.519 meters

HOW TO ARRIVE BY CAR

We are located in the CG2 direction Engolasters. At the roundabout, continue along the CS200 towards Engolasters until the Pla de Engolasters. Once past the chapel of St. Michael of Engolasters, we will immediately see a sculpture of an ax on the right. Turn and follow the path until you find the “Font de la Closa” picnic area. From here we will find two roads that take us to the Valley: the path of Coll Jovell and the path of the Tosa canal, which links with the Matxos path.
